**PATIENT HISTORY:** Patient (aka Young President) doesn't know much about one of Denver's most valuable, inspirational, and unique institutions; The Denver Children's Hospital. YP's lack of knowledge could lead to a missed opportunity should any little person in YP's family or personal sphere of influence ever need some special attention.

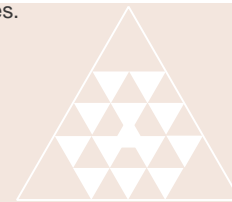

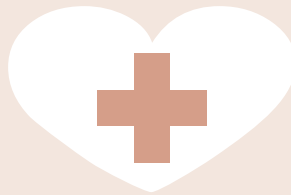

**GENERIC NAME(s):** Behind the scenes tour, incredible panel, powerful stories, cool kids. Panel Moderated by Ken Duckworth, Director of Health, State of Massachusetts and top rated YPO Resource

**COMMON USE:** Increase parental knowledge, build compassion, get inspired.

**COMMON SIDE EFFECTS:** Participation may result in a feeling of well being and euphoria and thankfulness for the people who strive to make miracles happen.

**HOW TO USE THIS MEDICINE:**

1. Participate in an exclusive, behind the scenes tour of hospital operations (limited to the first 54 members and spouses).
2. Be inspired by the stories of two YPO'ers (Rocky Mtn and Twin Cities) and a Children's patient! Learn what to expect if you ever face a child illness and how to be supportive to other families who do.
3. Enjoy post event hors d'oeuvres and libations with fellow YPO'ers and hospital executives.
